December 4, 2020

Tuffy Titan

DOB: 01/01/1957

To whom it may concern:

I have seen and evaluated Tuffy for multiple medical conditions. Tuffy is under my medical care and due to the severe symptoms associated with the diagnosis/condition they are unable to function in an academic setting and need to withdrawal from all of their courses for the fall 2020 semester.

Sincerely,

Richard Boucher, MD \*
